

**Ready, Set...Give!**

Colorado's largest day of giving has begun! Today, Coloradans from all across the state are coming together to celebrate the nonprofits that make our communities strong. There's no better time to give where you live than with a tax-deductible gift to Hearts & Horses today!

**Why? Because every dollar you donate today will be matched up to \$10,000 by our generous sponsor Lucky Three Ranch and will also count towards the \$1 million+ Colorado Gives Incentive Fund!** That's **DOUBLE** the impact!

This means your \$50 gift would become a \$100 gift for a new helmet for one of our riders; your \$250 donation would become \$500 to provide farther expenses for a month; your \$500 gift would become \$1,200 to fund a rider scholarship for an entire year...there are so many ways to give and every gift counts!

**Between now and midnight we are hoping to raise \$40,000 to help us reach our giving season goal of \$225,000, and we can only do it with your help!**

**Rider Spotlight: Meet Taylor**

This Colorado Gives Day, we'd like to introduce you to Taylor. Taylor lives with isodiscentric 15, a rare chromosomal disorder that causes global developmental delays and seizures. She has been riding at Hearts & Horses for the past 20 years. "It's truly her favorite thing," her brother, Noah, tells us. "Hearts & Horses pushes her while she's here and isn't afraid to do that...When she's on that horse she's on the top of the world."

Your support this Colorado Gives Day can help us continue to create an inclusive community where individuals of all abilities can build confidence, develop skills, and find joy—without the limits society often imposes. Together, we can break down barriers and empower even more riders like Taylor to reach their full potential.
